

Free Public Education

2016-2017

Oilton Public School along with Five Star Interlocal Co-op Public Schools believe all children have the right to a free and appropriate education. This is mandated by the Individuals with Disabilities Education Act (IDEA), formerly known as Public Law 94-142. This federal law provides for all children with disabilities from birth to age twenty-one who may be in need of special education services. This may include children who are: Developmentally Delayed, Intellectually Disabled, Learning Disabled, Hearing Impaired or Deaf, Blind or Partially Sighted, Emotionally Disturbed, Autistic, Traumatic Brain Injured, Other Health Impaired, Multiply Disabled, Speech or Language Impaired or Physically Disabled.

Oilton Public School and Five Star Interlocal Co-op Public School are interested in locating and identifying children with disabilities who are not currently receiving services. We offer such services as educational and psychological evaluations, counseling, speech and language evaluations in addition to basic services provided by the schools. Services are provided at no cost to the parent.

If you have or know of a child who might benefit from our services, please call Mr. Matt Posey, Superintendent at (918) 862-0389 or Nancy Anderson at (918) 225-5600 1-866-355-2667.
